Ref: Letter No. RT-11036/85/2017-MVL dt. 5-12-2017 of the Ministry of Road Transport & Highways, New Delhi.

A copy of the letter sent by Director(MVL) Ministry of Road Transport and Highways (MoRTH) RT-11036/85/2017-MVL dt. 5-12-2017 directed the concerned States/UT's regarding doubtful website vahan4nic.in with almost same look as vahan.nic.in.

2. In regard to the subject mentioned above and to write that MoRTH owns a website namely vahan.nic.in wherein records of vehicles registered in India are available and is maintained by NIC. It has been brought to notice of the Ministry by NIC that one fake / phishing site called vahan4nic.in which has been put up on the internet by fraudsters to illegally facilitate authentication of NOC records by RTOs across the country. This is almost identical in look and feel as the actual site under vahan.nic.in. It is possible that stolen / blacklisted vehicles are by passing NOC requirement through this website.

3. It has also been brought into the notice that a number of clone apps have cropped up and are available in Google Appstore – which try to access data from apps / sites / web services of the Ministry.

4. It is therefore instructed to all the RTO's and MVI's/AMVI's to examine the matter and take strict action against these fraudsters.

A Copy of the above letter is enclosed for information and compliance.
