GOVERNMENT OF PUDUCHERRY
TRANSPORT DEPARTMENT

Digital India
Power To Empower

*Transport Department's Services
will be available online*

WAIT FOR A WHILE !

Online services shortly in Puducherry.....

Hon'ble Chief Minister of Puducherry in his Budget Speech for 2015-16 has assured that Transport Department's services to public will be available online shortly.

The Transport Department of Puducherry which has pioneered in computerizing various Transport related services is also in the verge of providing Transport related services online to public.

The Vahan and Sarathi Software version 4.0 which is the improved version of existing Vahan and Sarathi software is presently being parallelly tested in Puducherry which is one of the Test Centers.

After the successful testing of Vahan and Sarathi Software version 4.0, the public will avail various services of the Transport Department online through this Software.
